

# Statistics

## Description:

The *Statistics* block displays three text areas centred in the middle. The main heading of these text areas is displayed in the **accent colour**. Numbers in the main heading are automatically incremented. The text areas are displayed one below the other on mobile devices.

## Settings:

1. A separate heading can optionally be displayed
  - If this is activated, the heading size can be selected (H2 (default), H3, H4)
  - If this is activated, the alignment of the heading can be set (left (default), centred or right)
2. The background can be set (standard (no background), dark, waves, honeycomb)
