## Description:

The *Header 1* block displays a text with buttons and an image in the background.

## Settings:

1. Optionally, only the image can be displayed
2. Whether the block should use the page title (H1)
  - If the page title is used, it is no longer displayed below the header
3. One image
4. The height of the image (100% of the screen (default), 75% of the screen, 50% of the screen)
5. Up to two links
  - The first link is always displayed as a white button
6. The alignment of the texts and links (left (default) or right)
