Description:

The *Header 2* block displays a text with buttons and logos on 50% of the screen width and an image on 50% of the screen width. The image is used as a background on mobile devices.

Settings:

The following can be set for the *Header 2* block:

1. Whether the block should use the page title (H1)
 - If the page title is used, it is no longer displayed below the header
2. An image
3. An alternative text for the image
4. Up to two links
 - The first link is always displayed as a button in the primary colour
 - The second link is always displayed as a button in the secondary colour (only the frame)
5. The alignment of the texts, links and logos (left (default) or right)
6. Image for 4 logos
 - The logos can be omitted completely
 - The logos can optionally be displayed in greyscale
