Logo

Description:

The *Header 3* block displays a text with a button on 50% of the screen width and an image on 50% of the screen width. The text is displayed above the image on mobile devices.

Settings:

The following can be set for the *Header 3* block:

1. Whether the block should use the page title (H1)
 - If the page title is used, it is no longer displayed below the header
2. An image
3. An alternative text for the image
4. A link
 - This is displayed as a white button
5. The alignment of the text and the link (left (default) or right)
