

# Several pictures

## Description:

The *Multiple images* block displays up to 6 images next to each other. The images are divided evenly and centred at 100% width. The smaller the viewport, the fewer images are displayed in the same row. (4 images with a width of 991px and smaller; 2 images with a width of 767px and smaller)

## Settings:

1. The number of images can be set (1 (default) - 6)
2. A heading can optionally be displayed
  - If this is activated, the heading size can be selected (H2 (default), H3, H4)
  - If this is activated, the alignment of the heading can be set (left (default), centred or right)
3. The images can optionally be displayed without rounding
4. The images can optionally be displayed without shadows
5. The background can be set (standard (no background), dark, waves, honeycomb)
